NATURE – GOD’S GROANING CREATION

Biblical Perspective For The Environmentally Concerned

<u>Chapter</u>	<u>page</u>
Prologue	vii
Environment Stewardship from a Biblical World View	

PART I - OUR SITUATION

1 FEARFULNESS ABOUT THE FUTURE	1
• Concern over our deteriorating environment	
• Fear of a global catastrophe	
• A fresh look at our goals	
• What can we depend on?	
• A proper perspective	
• Human nature has not progressed	
2 WHAT CAN WE DEPEND ON?	7
• There is fear in our hearts	
• The assumed infallibility of science	
• The improper use of science	
• Doubting God's ability	
• By faith the simple understand	
• The truth is simple	
3 SCIENCE'S LIMITATIONS	17
• We assume that we are able to understand	
• Faith in science	
• False prophets offer false hope	
• Knowledge is not enough to change us	

- Is the Bible more than a history book?

4 THE IMPACT OF OUR CHOICES 25

- Culturally acceptable impacts
- The impact of subsistence
- A growing economy & expanding frontier
- Personal responsibility
- Well-done, good and faithful servant!

5 THE RESPONSIBILITY OF WEALTH 31

- We think we know best
- Proper use of what has been entrusted to us
- Wealth brings with it responsibility
- Leaving an inheritance
- Our ideas about stewardship
- Our efforts have lacked gratefulness
- The Church in the environmental crisis

6 THE CONSEQUENCES OF OUR STEWARDSHIP 38

- Feeling we are doing something to help
- Pain, the consequence of bad decisions
- Hoping that we are moving forward
- The failure of our good intentions
- God is still in control

PART II - A DIFFERENT PERSPECTIVE

Chapter

page

7 A GEOLOGIST CONSIDERS GENESIS 49

- College as an apprenticeship
- Choosing a world view
- An awareness that God exists
- Why did modern science leave the Church?
- The need for a perspective from outside nature
- Ignoring first hand accounts
- Things of more eternal significance

8 CHOOSING YOUR PRIORITIES 56

- Stewards or intruders?
- Does God think like we do?
- Learning God's perspective on nature
- Learning from Jesus' priorities
- Morality by consensus
- Who decides if something is wrong?
- A disobedient and obstinate people

9 A DISTORTED WORLD 64

- The world was distorted by sin
- The correct view of nature
- What we will become
- Our struggle to tame the inhospitable land
- Where is the joy in evolution?
- Scripture rather than nature reveals the truth
- What we will become

10 WHY DOES GOD ALLOW...? 71

- The purpose of suffering
- To show us that we are in need
- The idols we serve

- God's vineyard
 - The limits of God's patience
- 11 WE ARE BEING DISCIPLINED** 78
- We expect to be punished
 - A father disciplining his children
 - We need to be reminded
 - A guilty conscience
- 12 WHY MUST THE CREATION SUFFER?** 83
- Cursed is the ground because of you
 - Nature is God's tool to correct us
 - The cost of our nourishment
 - The price of our rebellion
 - Pointing us to the Messiah
- 13 GLIMPSES OF EDEN** 89
- Is nature against us?
 - The search for Eden
 - God's extravagant provisions
 - Our attraction to glimpses of Eden
 - Somehow we have to change
 - Restoring the fruitfulness of the land
 - Reversing the curse
- 14 THE SILENCING OF NATURE'S SONG** 97
- God's workmanship sings to him
 - Worshipping God through nature
 - We are muting nature's praise of God
 - The mourning of the steward

PART III - THE DESIRED RESPONSE

<u>Chapter</u>	<u>page</u>
15 WE ARE THE POLLUTION	112
<ul style="list-style-type: none">• We contaminate the creation and ourselves• Receiving God's blessing but yielding no fruit• The distorted and abused creation• The damaged creation shows the cost of our rebellion• Is nature out of God's hands?• We deny that we are being corrected	
16 HOW TO RESTORE WHAT WAS LOST?	123
<ul style="list-style-type: none">• We forget what God has told us• We demand a sign• Following the wisdom of men• We are being scolded• What can we do to save the planet?• We must turn to God• He has promised to restore and make new	
17 WHAT ARE WE TO DO?	128
<ul style="list-style-type: none">• Where are God's people?• How are we to be involved?• Building upon biblical concepts• Fear• Is there reason to be concerned?• Zeal will not save the planet• Humble ourselves and pray	

18 THE PURPOSE OF GOD'S INTERVENING 134

- God intervenes into the universe
- Alien forces
- God's plan
- What to do?
- Our place in the world
- God's concern for this world

19 THE SOLUTION 142

- We know our guilt but claim to be victims
- We refuse to be dependent
- We hope our skill can save us
- The cure for our wicked world
- His restoring us to himself is the cure
- A cause for hope

20 A GLIMPSE OF THE EARTH'S FUTURE 152

- Prophecies of the future
- The fate of this earth
- The end of this present age
- Creation will be released from bondage
- Dare to dream of that day
- Heaven on earth?
- Then for a short time

21 A GLIMPSE OF HEAVEN 161

- This world will pass away
- The new heavens and the new earth
- We do not understand what is to come

- How then should we live?

EPILOGUE REASSESSMENT 165

- Still don't understand?
- Caring for the land of milk and honey
- Be confident in this very thing
- Summary

Appendices 178
